Saint Leo University – Core Values

Instructional Design has implications for utilizing two Core Values:

Excellence and Community
Excellence

Saint Leo University is an educational enterprise. All of us, individually and collectively, work hard to ensure that our students develop the character, learn the skills and assimilate the knowledge essential to become morally responsible leaders. The success of our University depends upon a conscientious commitment to our mission, vision and goals.
Excellence

How do you strive for excellence in the course(s) you teach?

How can excellence be demonstrated by the students in your course(s)?
Community

Saint Leo University develops hospitable Christian learning communities everywhere we serve. We foster a spirit of belonging, unity and interdependence based on mutual trust and respect to create socially responsible environments that challenge all of us to listen, to learn, to change and to serve.
Community

How do you utilize community in your course(s)?

Explain how instructional design plays a part in building community in your course(s).
