Within this course, in addition to the course module content and assignments, you will complete the ETS Major Field Test (MFT) for Criminal Justice. The MFT is administered outside this course by Educational Testing Services (ETS) and must be completed by the conclusion of Module 7. Completion of the MFT is required to graduate with your degree.

The Criminal Justice ACAT is intended for the assessment of learning outcomes in students pursuing a major in criminal justice from a baccalaureate degree program. The test covers five major content areas:

- Theories of Criminal Behavior
- The Law
- Law Enforcement
- Corrections
- The Court System

Saint Leo University uses this MFT as a means to compare our graduates with national comparative data. The MFT will help us evaluate your ability to analyze and solve problems, understand relationships, and interpret material from your major field of study. It will also help us to determine areas that may need to be strengthened within the SLU curriculum.
